### DR. STEVEN LAWSON, BY GOD'S GRACE, WAS AN AMAZING SUCCESS IN MEDELLIN!

A large number of pastors from many countries attended Dr. Lawson's expository preaching course in Medellin. Their comments about Dr. Lawson were: *He is a powerful teacher, a volcano, a tank, and an earth-shaking teacher of Homiletics.* Some commented that from what they learned, they realized that they never really preached before. Those

pastors faithfully attended 30 hours for five days—and they wanted more. They were extremely happy to learn that Dr. Lawson will come back to Colombia for another week in 2019. We are convinced that this extraordinary course will change the preaching in hundreds of churches in Latin America and many of the pastors expressed such a commitment! We thank Brother Dan Walker for filming the entire course. After his editing, it will be on YouTube and on SRL web and platform, so that pastors could take that same course online. On the Lord's Day La Gracia de Dios Church was packed to hear Dr. Lawson's preaching message.

### MANY FRIENDS ATTEND 2018 SRL BANQUET

We thank God for Mimi. She worked very hard with this event. SRL is grateful to the hundreds of SRL friends who attended or sent their support for this banquet. Dr. Joel Beeke expressed his joy to know

that SRL has the same objective that he had for years, that is, to have a reformed seminary in each Latin American country. SRL is planning to accomplish this by the end of 2019. Dr. Alex Mercado, SRL professor in Venezuela, reported the tremendous progress of the reformation in that country under the suffering church and the great risks that he and other SRL professors take. Please see these two banquet videos. <https://youtu.be/NOWV-KxpHwY> <https://youtu.be/Y-oUW4Aoi0>

### SRL OPENS IN GUADALAJARA, MEXICO, AND IN CUBA

During the month of June and July SRL will open two branches in Cuba and one in Guadalajara, Mexico. Please pray for the professors who will be teaching in those countries beginning this year.

Your prayers and monthly partnership contributions are essential to continue this ministry, which aims to reform the entire Latin American Continent. Soli Deo Gloria !
