TRINITARIAN BIBLE SOCIETY DONATES THOUSANDS OF BIBLES TO LATIN AMERICA

Brother William Greendyk, TBS General Secretary, will participate in the 21st Annual SRL Celebration in Orlando. From there he will address thousands of SRL Latin American followers to promote the distribution of free Bibles throughout the continent. At this event, Bibles will be distributed to be put into the hands of Spanish speakers as an evangelization tool.

THANK YOU FOR HELPING SRL TO FEED THE VERY POOR DURING THIS CRISIS

Besides the contributions to meet the increasing demands at SRL, donations have been received to help the poor during the current crisis. We have sent mercy funds to over ten churches in Cuba, El Salvador, Honduras, Venezuela, Bolivia and Colombia. Our special gratitude, also, to the pastors on the field who purchased and packaged food to distribute to hundreds of families. One church sent us a video where they were feeding 35 children. Also, we still have close to 50 men in the building in Medellin. They are all doing well and are taking advantage of every hour of theological education. The number of students has dramatically increased.

PROTECTING COLLEGE AND H.S. STUDENTS FROM PAGAN PROFESSORS & THEORIES

SRL is bombarding the Hispanic Continent with powerful theological lectures and courses. God has given us tens of thousands of participants. Currently, SRL is teaching an Apologetics course on Biblical Creation and Science. The faculty includes reformed professors and conference

speakers, such as Dr. Thomas Woodward, Dr. Stephen Meyer from Cambridge, Dr. Jonathan Wells from Yale, Dr. Ricardo Bravo, Professor Joel Owen from Answers in Genesis, and Astronaut Barry Wilmore. Including Facebook, Zoom, YouTube and other media, over 17,000 have participated. This link will take you to the YouTube course: bit.ly/2Z8LETx

We thank God for using SRL as a powerful tool to reform the church in Latin America. *“Whom shall I send, and who will go for Us? Then I said, “Here am I! Send me.”* Isa. 6:8b (NKJV)

Sincerely in Christ,

Max J. Costa
